

“WHERE THE OPEN ROAD” IS STILL OPEN.

The drive is gorgeous. Enchanting. Looping through the Oxbow curves above Hells Canyon. Taking in the roadside scenery on Highway 86. Enjoying the freedom. Without the bumper-to-bumper traffic. Only wide open road.

It's like stepping back in time. Discovering a natural beauty. A classic paradise. And soaking it all in. By yourself. Or with family. Maybe friends. Even co-workers. But not the crowds of unfamiliar faces. Total relaxation. Pure.

The perfect, quick “get-away” for relaxation. The best known method of rejuvenation. And the best kept secret in the Northwest. Come to Pine Valley Lodge in Halfway, Oregon. You can do everything you want. Or if you want, you can do nothing at all.

Just let your soul breathe. Deeply.
